

## **Message from Librarian**

### **Bridging Ancient Wisdom and Modern Innovation**

Welcome to the Central Library of Shri Krishna AYUSH University (SKAU), Kurukshetra. The library serves as the intellectual hub for students, researchers, and faculty members dedicated to the profound fields of Ayurveda, Yoga, Unani, Siddha, and Homoeopathy (AYUSH) enter into the world of wisdom.

### **Vision and Mission**

Our vision is to transform the SKAU Library into a world-class digital information centre that fosters excellence in AYUSH education and research. Our mission is to provide seamless access to a diverse range of resources, ensuring that every scholar at our university is equipped with the tools necessary to contribute to global healthcare.

### **A Future-Ready Knowledge Hub**

As Shri Krishna AYUSH University continues to set new benchmarks in the AYUSH sector, the library is evolving in parallel. Our strategic roadmap includes:

- **Digital Repository**
- **E-Resource Access**
- **Research Support**
- **INFLIBNET**
- **ONOS**
- **Shodhganga**

### **Technological Advancement:**

Our priority is to automate the library services to enhance user experience and operational efficiency.

- **Library Management System:** We are leveraging education-leading platforms such as Koha to manage our vast collection. These systems provide a robust Online Public Access Catalogue (OPAC), allowing users to search, reserve, and track resources with ease from any location.
- **Smart Catalogue:** The integration of these advanced software's ensures precise inventory management and streamlines the circulation process, making the library's administrative and management workflow transparent and paperless.

### **Commitment to Excellence**

The progress of this library is a reflection of the University Authority's visionary leadership and our unwavering commitment to academic excellence. We are not just preserving books; we are nurturing minds.

I invite all students and faculty members to actively engage and use the resources and join us in this journey of discovery and innovation.

With Best Wishes,
