Sr. No	Specification	Specification Name	Requirement (Allowed Values)
			higher
		Bluetooth	Bluetooth 5.2 or higher
	INSTALLATION & ACCESSORIES	Mounting	Heavy-duty wall mount suitable for the offered 86-inch panel
		HDMI Cable	Minimum 1 suitable HDMI cable
		USB/Touch Cable	Required cable(s) for touch connectivity to be supplied
		Power Cable	Yes
		Installation	Wall mounting, installation, configuration and commissioning included in scope of supply
		Training	Basic operational/user training for teaching/technical staff included
	WARRANTY & SUPPORT	Comprehensive Onsite Warranty	Minimum 3 years
		Warranty Coverage	Display panel, touch system, electronics, inbuilt Android system and supplied OPS CPU
	COMPLIANCE	BIS/Statutory Compliance	Valid BIS/CRS and other statutory certifications as applicable to the offered product
		Government Procurement Requirements	Compliance with applicable Government of India/Haryana Government, PPP-MII/local-content and other prevailing procurement provisions, wherever applicable
	Additional Technical Conditions - The Interactive Flat Panel shall be a complete functional system, including the 86-inch interactive display, inbuilt Android system, Windows OPS CPU, wall-mounting arrangement and all necessary cables/accessories. Provision of an OPS slot alone shall not be considered equivalent to supply of the OPS CPU. The Windows OPS CPU meeting the above minimum configuration shall be included in the scope of supply. - The offered panel shall be suitable for regular classroom teaching and prolonged institutional usage, with emphasis on display clarity, illumination uniformity, anti-glare performance, wide viewing angle and reliable touch operation. - The specification "Direct LED (DLED/Back-lit) or equivalent/superior technology" has been kept performance-oriented so that technically equivalent or superior products are not unnecessarily excluded. - Higher specifications may be accepted provided that they meet or exceed all prescribed minimum requirements and do not adversely affect interoperability or the intended classroom functionality. - All equipment, components and accessories supplied shall be new, unused and of current production, and shall be covered under the prescribed comprehensive onsite warranty.
